## Daily

### Guided Tours

Did you know Saskatchewan has a rich fossil history? Enjoy a 30-minute tour with an interpreter through our galleries.

### Documentary

Watch our 30-minute documentary, "Dinosaur Hunters" about Scotty's discovery, and her excavation.

### Drop-in programs

**Faking Fossils** Learn about body and trace fossils, and make your own fossil using clay. Yes, you can take it home!

**Dino Dentistry** Have you ever seen a *T. rex* tooth? Learn about Scotty's teeth, and paint your own.

**Paleo Practice** Test your palaeontological skills by excavating a plaster jacket to find a fossil. You'll get a certificate for helping our palaeontologists!

## STORYTIME WITH SCOTTY

Every Tuesday in July and August at 10:30 am, we will be reading a book and making a craft or participating in a fun activity. This program is geared for children ages 2 to 8 years old.

## BIWEEKLY THEMES

In July and August, every other week there is a new theme at the T.rex Discovery Centre! Come join our interpreters and explore these themes through hands on fun.
