LIVE EVENT

Cypress Hills Interprovincial Park ECOSYSTEM-BASED MANAGEMENT PLAN

Join us on **February 3, 2021, at 6 p.m.** to explore strategic directions for the maintenance, protection and restoration of natural landscape, the ecosystem and species diversity of Cypress Hills Interprovincial Park (CHIPP). This will in turn enhances visitor experience and public appreciation and understanding of the park ecosystem. In the Ecosystem Based Management Plan, management goals and objectives are identified and corresponding recommendations are provided.

This is an event hosted by Saskatchewan Ministry of Parks, Culture and Sport, Parks Division. Please use the following link to join the event:
